Introduction

The old saying “good things come in small packages” is an apt description of this holiday activity booklet. This book is filled with all types of projects and ideas for increasing environmental awareness during Earth Day.

Learning opportunities abound in these pages which include a literature-based teaching unit, creative art projects, and many other personally rewarding experiences designed to reinforce Earth Day.

The Tropics

Tropical rain forests lie chiefly near the equator. Do some research to label the following on the map below: equator, Tropic of Cancer, Tropic of Capricorn, North America, South America, Africa, Europe, Asia, Australia, Antarctica, Pacific Ocean, Atlantic Ocean, and Indian Ocean.
