Buzzy Bee Finds "B's"

Help Buzzy Bee find the flowers with pictures on them that begin with the "b" sound. Draw a line from Buzzy to the flowers.

Cindy the Centipede

Cindy the centipede took her little centipedes to the circus. She fixed them cereal, cinnamon toast, celery, apple cider, and citrus fruit for breakfast. Then they got out their bikes and cycled into the city. They followed the cement path under the cedar trees to the circus tent. Cindy paid the man fifty cents, and they went in. Animals pranced around in a circle in the center of the tent. A band with loud cymbals played music. Circus people flew through the air on a trapeze hanging from the ceiling. Cindy was certain that the little centipedes had a wonderful day.
