United States copyright law protects the media included on this CD-ROM. The classroom teacher may use the media in this collection for noncommercial use, including student and teacher projects. None of the images may be reproduced in whole or in part, stored in any retrieval system, or transmitted in any form or by any means, electronic, mechanical, photocopying, recording, or otherwise. Making copies for publishing (conventional or electronic) of student work is acceptable. The commercial use of The Media is strictly prohibited without the expressed written consent of the publishers or their copyright holders.

For site license inquiries please call Teacher Created Materials, Inc., at 800-858-7339.

Using the Viewer Program

Copying and Pasting Photographs, Clip Art, and Text *(cont.)*

The viewer program provided on the multimedia CD also allows the user to easily save photograph or clip art files to several popular file formats, including BMP, EPS, GIF, JPEG, PICT, and TIFF. Follow these instructions to export files.

1. Click **Export** and choose **Save As...**

2. Choose the desired file format. (**GIF** export is not available on the Windows platform.)
3. Navigate to where you want to save the file (hard disk, floppy, etc.) and click **Save**.
