five

David was a young shepherd boy who trusted God. He bravely told King Saul he would fight Goliath, the giant. David didn't wear armor or carry heavy weapons. He took his sling and picked up five smooth stones from a stream. He put one of the stones in his sling and threw it at the giant. The stone hit Goliath in the head and he fell down dead. Because David trusted God, he did not need five stones; he only needed one! (I Samuel 17)
